

REMARKS

Claims 1-7, 9-14, 18, 23 and 26 are in the case. Claims 15-18 and 20-26, which had been withdrawn from consideration as non-elected in response to a Restriction Requirement, have been cancelled by the present amendment.

The Restriction Requirement was made final in the Office Action of Sept. 28, 2006, and cancellation of the non-elected claims was required. The non-elected claims will be pursued in a divisional application.

Respectfully submitted,

COZEN O'CONNOR
